Is it a library-licensed resource?

Is there an API?

Does the site's Terms of Use allow bulk downloading?

If not:
- Scrape the content you need*
- Contact a librarian: tdm-access@berkeley.edu
- Follow the guide instructions for access.

If yes:
- Use the API

If no:
- Check guides.berkeley.edu/text-mining

Is it listed on the guide?

If yes:
- Follow the guide instructions for access.

If no:
- Please avoid scraping or bulk downloading via the library proxy.
